TE Connectivity

Product Change Notification: P-21-021162

PCN Date: 07-JUL-21

Customer: TTI, Inc. (1305175)

Location: Maisach-gernlinden

Agreement: TTI001

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
Raw material supplier change

Description of Changes
Dear Customer, we hereby inform you about a running raw material change for mentioned part numbers, which are under design responsibility of TE Connectivity. As already communicated, this action is mandatory to ensure the deliveries towards our customers and avoid shortages. In case of further questions and detailed information, we kindly ask you to get in touch with your sales representative first to achieve a common understanding.

Reason for Changes:
Part status change. Due to Force Majeure of resin suppliers, TE Connectivity has to switch at selected components to similar material with the same characteristics as the previous material (e.g. PBT-GF15). The change to alternative material is not limited in time and depends on the market conditions and also the switch back to previous material will happen depended market conditions. The traceability of the parts is given by the date clock at single housings, the material marking will stay the same (e.g. PBT-GF15), due to urgency. Due to time constraints, TE Connectivity does not perform full testing. The material is of the same characteristics and to the best of TE's knowledge no negative impact on product performance is foreseeable. TE does not assume liability for any damages or claims related to the change of material.

Estimated Dates:	
Last Order Date (Obsolete Parts Only):	First Date To Ship (Changed Parts Only):
	15-JUL-2021
Last Ship Date (Obsolete Parts Only):	Last Date for Mixed Shipments: (Changed Parts Only):
	05-AUG-2021

Part Number(s) being Modified:

Part Number	Part Discontinued per PCN	Customer Drawing	Customer Part Number	Alias Part Number(s)	Substitute Part Number	Substitute Alias Part Number(s)	Description Of Difference
1355881-1	NO		TYC1355881-1
