Dear valued customer,

Whilst we continue the review of the product portfolio and part number consistency in line with planned future releases, we are updating a single part number within our rectangular connector range. Part number PX0107P03GY will now become PX0109P03GY. Please can you update your system accordingly with this change.

Nothing has changed with the part, just it's number. Therefore, this product is now available as PX0109P03GY.

Regards
Bulgin
