Data Sheet Change:

Yes No

Attachment:

Yes No

DESCRIPTION AND PURPOSE OF CHANGE:

In line with the adoption of industry standards, Würth Elektronik will change the shrink tube material from PVC to PET to reduce the content of halogen afflicted materials.

All products with date code 2020-05-01 or later, will be affected by this change.

There will be no change in form, fit, function, quality or reliability of the product.

DETAIL OF CHANGE:

It is necessary to protect the wire isolation from further production steps. The shrink tube is covering and protecting the winding.

To meet international environmental requirements Würth Elektronik is changing the tube from PVC to PET material. The PET material is not containing any substances which are forbidden by RoHS, Reach or Halogen Free standards.
