TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

**General Product Description:**

TE Connectivity has been informed by VDE that our certification has expired on the referenced M-Series product.

**Description of Changes**

TE Connectivity has been informed by VDE that our certification has expired on the referenced M-Series product. This only impacts the products only manufactured after July 2nd 2017 (Lot Code 1727) and as a consequence we will temporarily be removing the VDE logo on our product label for these M-Series products. We expect this to be temporary and are addressing this issue through an active project at VDE.

**Reason for Cancellation:**

These changes will be reviewed and addressed in the new system

**Part Number(s) being Modified:**
