

Programmable touch panels

Total Control at your Fingertips!

Accessories for **Millenium3**

4.3"

MTP6/50
MTP8/50

7"

MTP8/70

Discover the many advantages:

- Compact and robust
- Optimized for the Millenium 3 family of logic controllers
- High brightness, high resolution
- Directly connected to the Millenium 3 through its programming port
- Rich and user-friendly programming, graphical customization of your applications
- Extended connectivity

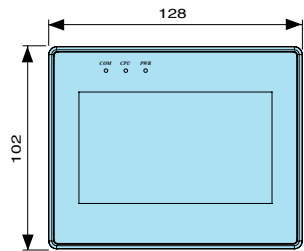

Specifications

- Compact resistive touch panels
- Wide viewing angle: 70° horizontally and vertically
- 65536 colors LCD technology
- Text, data, graphic, animation display
- Processing of alarms and recipes
- 128 MB flash memory storage as a standard, on SD card or USB key: optional
- RS232/RS485 serial port, optional: USB and/or Ethernet TCP/IP ports
- Directly connected to the Millenium 3 through its programming port (24V DC)
- EB programming software compatible with Windows 2000/XP/Vista/7
- Easy panel mounting
- Display front panel NEMA4 / IP65
- Certifications: CE, UL, cUL
- Customization by our Customer Adaptation Center

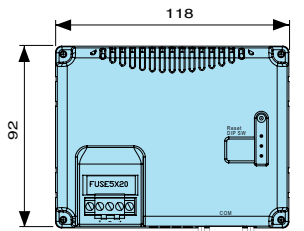

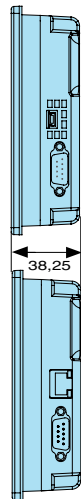

Size	Designation	Programming	Connection	Code
Programmable touch panels MTP6/50 & MTP8/50				
4"3	MTP6/50 user kit (Display, fixing brackets, MTP-M3 cable)	USB-MiniUSB cable	Direct connection M3-MTP Modbus RS232/RS485 serial port	88 970 492
	MTP8/50 user kit (Display, fixing brackets, MTP-M3 cable)	Ethernet RJ45 crossover cable	Direct connection M3-MTP. Modbus RS232/ RS485 serial port, Ethernet TCP/IP port	88 970 494
-	MTP6/50-MTP8/70 programming kit - USB-MiniUSB connection (EB / helpfile CD, USB-MiniUSB cable)	-	-	88 970 501
	MTP8/50-MTP8/70 programming kit - Ethernet crossover connection (EB / helpfile CD, RJ45 crossover cable)	-	-	88 970 502
Programmable touch panel MTP8/70				
7"	MTP8/70 user kit (Display, fixing brackets, MTP-M3 cable)	USB-MiniUSB cable or Ethernet RJ45 crossover cable	Direct connection M3-MTP 2 Modbus RS232/RS485 serial ports, USB 1.1 port, Ethernet port	88 970 496
-	MTP6/50-MTP8/70 programming kit - USB-MiniUSB connection (EB / helpfile CD, USB-MiniUSB cable)	-	-	88 970 501
	MTP8/50-MTP8/70 programming kit - Ethernet crossover connection (EB / helpfile CD, RJ45 crossover cable)	-	-	88 970 502

Dimensions (mm)

MTP6/50 & MTP8/50

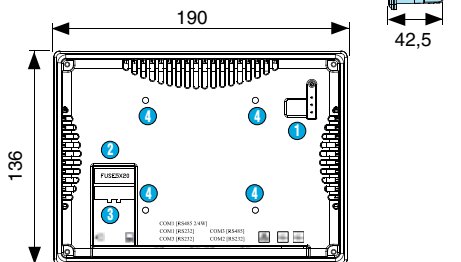

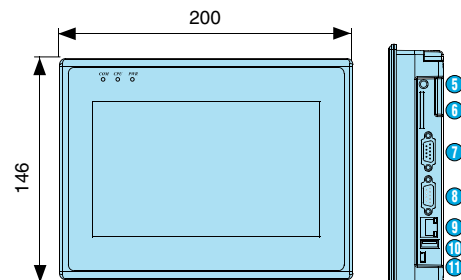

MTP6/50

MTP8/50

MTP8/70

- ① DIP SW & Reset button
- ② Fuse
- ③ Power connector
- ④ VESA 75 mm screw holes
- ⑤ Audio
- ⑥ SD card slot
- ⑦ Com1 RS485, Com3 RS485, Com3 RS232
- ⑧ Com1 RS232, Com2 RS232
- ⑨ Ethernet port (RJ-45)
- ⑩ USB Host port
- ⑪ USB client port (programming)

Accessories

Designation	Code
Modbus cable for MTP6/50 & MTP8/50	88 970 503
Modbus cable for MTP8/70	88 970 504
CD : user-friendly EB software Compatible with Windows 2000/XP/Vista/7	88 970 509
