

## Metal face milling cutter PFM 17

metabo®

### Application:

Quick and clean removal of welding beads in a single step.

### Version:

- One-touch controller: patented, tool-free milling depth adjustment in 0.1 mm increments
- Ready to use in seconds thanks to tool-free fixing, magnetic guide rail (50 cm long, extendable)
- Simple, convenient replacement of reversible tips on the milling head
- Slim grip area and large bow handle, which is adjusted without tools, for safe, even guiding
- Vario Tacho Constamatic (VTC) full-wave electronics with adjusting wheel: for working at material-appropriate speeds which remain constant under load
- Electronic soft start and restart protection
