

Part Number: SY-EDID-Master

Applications:

Secure superior EDID exchange between 4KUHD / HD sources and display.

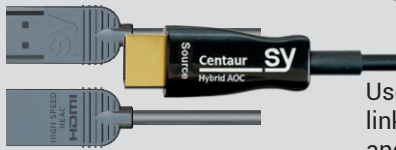

Ideal use:

Corporate board rooms. Education facilities. pubs/bars and other establishments.

The SY EDID Master

- **Resolve EDID exchange issues**
Choose from 14 EDID pre sets to secure the best transmission between sources and displays. Enables teaching of EDID codes to devices.
- **Memorise settings**
Easy, intuitive control, choose from 6 different output resolution for optimal compatibility with flat screens and projectors.
- **Unique filter function**
The model contains a filter function that helps it to modify and optimise EDID codes used to govern the connection between digital sources and displays.
- **No power supply required**
The EDID Master draws its power from the HDMI port it is connected to.

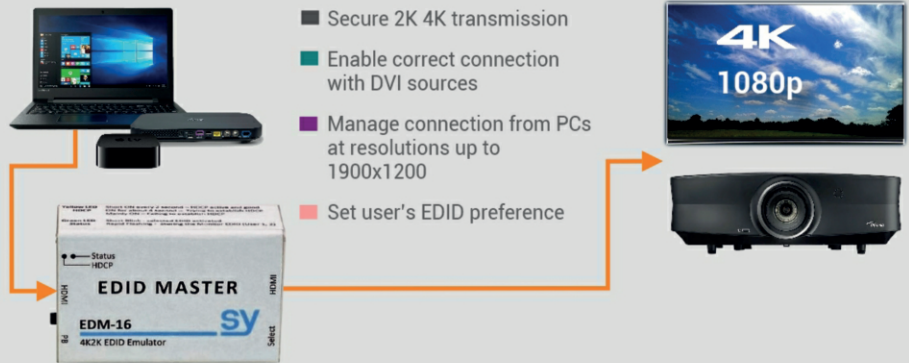

Use the new SY HDMI and AOC links to ensure the most accurate and reliable connection
