TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

**General Product Description:**

Papper reel change raw material

**Description of Changes**

Only the color of the raw material of the paper reel will be changed. ( Currently : Dye, Future : Non dye )

**Other attachments:**

[10&15-inch Paper reel material companison](#)

**Reason for Changes:**

Part status change.The supply of dye paper was cut off by a Korean paper company. Therefore, it is necessary to use a non-dye source as an alternative raw material. The composition and experiment data of all original sources are very similar. It has nothing to do with the form, fit and funtion of the product.
