

NEW

Toner for use in Konica Minolta Bizhub 200, 250 (TN-211)

Printing and finishing on demand, scanning to any destination, copying with sharp text and crisp images, even faxing. That's the power of the Konica Minolta Bizhub 200, 250 black and white document handling systems.

The two devices give fast output up to 20, respectively 25 ppm with workhorse reliability and duty cycles of 60 000 respectively 120 000 pages. That makes them a perfect fit for small to mid-sized companies, departments, branch offices and workgroups. With their compact design and user-friendly operation both of them are ideal cost-effective document solution systems already very populated in various markets. With the new compatible toner for these two machines CROSS Imaging Supplies is offering an opportunity to significantly reduce print costs of these two systems without compromising on image quality, performance or reliability.

Advantages & Benefits

- ▶ OEM equivalent performance and image quality.
- ▶ Significant reduction of cost per copy price.
