

TRAFFIC MAT® runner – ideal for absorbing liquids in heavily used areas

Absorbs oil, water, coolants and solvents

Application:

Suitable for large workstations, passageways and routes used by pedestrians and vehicles – even areas with heavy forklift traffic!

Execution:

- Made from 100% polypropylene
- Outstanding durability
- Roll in bag

Advantage:

- Easy to cut to size

Art. no.	69746 247
Brand	PIG
Manufacturer Part Number	MAT247
Design	Medium
Type description	MAT 247
Delivery unit	Mat roll in bag
Length x width	9100 x 61 cm
Suction volume	98.4 l
Colour	Black
Number of pieces per packet	1 PCS
Gross Weight	15.420 kg
Product Group	6PA

EAN

036226009077
