# Tri-lobed Grip HD Handle

**JBC**[Product Application Map](#)[News](#)

T470Z Tri-lobed Grip HD Handle is perfect for **intensive soldering jobs requiring continued high thermal power such as large ground planes, production of solar panels, armor and other applications.**

It features a **tri-lobed grip of larger width that provides greater handling of the tool.** A screw fixes the cartridge to prevent its rotation.

It can provide up to 250W when used with a HDE Heavy Duty Station and C470 Cartridge Range.

It can also work with Modular Control Units and CDS / CDB Stations using C245 Cartridge Range.

**Don't believe us...  
TRY IT!**
