

5 MHz dual element thickness measuring head TXC5M00CP-4

For MTG ultrasonic wall thickness gauges

elcometer®

Application:

Suitable for measuring e.g. steel, glass and thin plastics in conjunction with an Elcometer ultrasonic wall thickness gauge from the MTG series.

Art. no.	46100 202
Brand	ELCOMETER
Manufacturer Part Number	TXC5M00CP-4
Transceiver probe diameter	6.35 mm
Test frequency	5 MHz
Gross Weight	0.135 kg
Product Group	451
