- Use where space is limited
- Classified to UL94V-2
- Manufactured from nylon 6.6

## RS PRO Self Adhesive Black Cable Tie Mount 12.5 mm x 12.5mm, 3.2mm Max. Cable Tie Width

RS Stock No.: 811-1723

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

This self-adhesive backed cable tie mount is ideal for use where space is limited or the use of holes and screws is undesirable. This adhesive cable tie base is designed as an anchor point to attach cables to another surface using a cable tie.

The clamps are manufactured from nylon 6.6 (also known as Nylon 66) that is classified to UL 94V-2, making them ideal for use where fire resistance is critical. Cable tie mounts have been designed specifically to be used with cables and wires to secure, identify and tidy cables.

## General Specifications

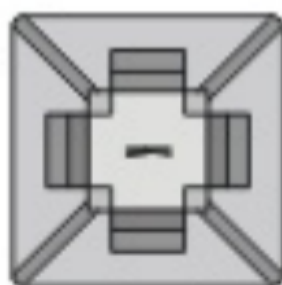

<b>Series</b>	HC
<b>Colour</b>	Black
<b>Material</b>	Nylon 66
<b>Quantity</b>	50
<b>Fire Behaviour</b>	Self-Extinguishing
<b>Self Adhesive</b>	Yes
<b>Application</b>	Cable management and organisation
