

## SparkFun Qwiic PIR - 1uA (EKMB1107112)

---

- Default I<sup>2</sup>C address **0x12** (Alternate **0x13** selectable by solder jumper)
- 2x Qwiic connectors
- 2x3 header on the back of the board for reprogramming the ATTiny84
- Lens diameter - 10.4mm
- Lens Height - 10.9mm
- 1μA standby current consumption
- 5m detection distance
- 90° x 90° (±45°) detection area
