

Bluetooth® Speaker | 24 W | Waterproof | Carrying Handle | Black / Black

General information

This easy to carry Wireless Bluetooth® Speaker was made for lazy days at the beach or by the pool - so get out there and party!

Portable

Incredibly lightweight and portable, the speaker nevertheless delivers a heavyweight, deep and rich sound that hits all the right notes.

Waterproof

And you needn't worry about the odd splash or two. The IPX7-rated waterproofing means you and your friends can get as wet and wild as you like.

Rich sounding

The peak power offers a 24 W output of portable sound quality.

Long lasting

The integrated 2200 mAh battery gives you up to nine hours of playback on a single charge - and you can carry on listening to your music as you recharge the speakers ready for the next pool party.

Features

- Lightweight, portable speakers - offering a heavyweight 24 W peak power sound output
- IPX7 waterproof rating - makes these ideal for parties by the sea or pool
- In-built 2200 mAh battery - lets the music play for up to nine hours at a time
