

KK114F abrasive cloth in tear-off box

With integrated tear-off blade

Application:

For alloyed and unalloyed steels, stainless steel, chrome and chrome-nickel steel, brass and bronze, wood, paint, lacquer and plastic.

Advantage:

- High flexibility and thread-precise tear resistance
- Very long service life

Art. no.	69276 404
Brand	VSM
Manufacturer Part Number	726645
Type description	KK114F
Material of abrasive medium	Corundum
Grid size	40
Roll width	25 mm
Length of roll	50 m
Scattering	Close scattering
Gross Weight	1.700 kg
Product Group	6DA

EAN

4018875266458
