∧ Y2.0	⊗ 1.2	⊗ 0.8	⊗ 0.8

This good quality easy to use and store RND precision screwdriver with 36 inter changeable mini heads is all you need for precision mechanical repairs or working on electronic devices.

It is stored in a handy hard case which has been designed to be small enough for pocket. Just flip open the lid, and the case will stand up, making it easy to select and replace any of the heads.

Each of the heads are size marked to help with quick selection
