IU=160A, P/AC-23A BEI 400V=75KW SWITCHING ELEM. FLOOR MOUNTING WITH DOOR-COUPL. ROT. OP. MECH. CONTROL ELEMENT BLACK FRONT / 4-HOLE MOUNTING 6-POLE

| Model  |     |                                  |  |  |
|--|-----|----------------------------------|--|--|
| product brand name                                       |     | SENTRON                          |  |  |
| Product designation                                      | -   | Main and EMERGENCY-STOP switches |  |  |
| Design of the operating mechanism                        | _   | knob-operated mechanism, black   |  |  |
| Type of the driving mechanism / motor drive              | _   | No                               |  |  |
| General technical data                                   |     |                                  |  |  |
| Number of poles  | _   | 6                                |  |  |
| Type of device   | -   | fixed mounting                   |  |  |
| Protection against electrical shock                      |     | finger-safe                      |  |  |
| Mechanical service life (switching cycles) / of the      | _   | 100 000                          |  |  |
| main contacts / typical                                  |     |                                  |  |  |
| Operating frequency / maximum                            | 1/h | 50                               |  |  |
|  |     |                                  |  |  |
| Voltage  |     |                                  |  |  |
| Insulation voltage / Rated value                         | V   | 690                              |  |  |
| Surge voltage resistance / Rated value                   | V   | 8 000                            |  |  |
| Protection class   |     |                                  |  |  |
| Protection class IP                                      |     | IP65                             |  |  |
| Electricity  |     |                                  |  |  |
| Continuous current / Rated value                         | A   | 160                              |  |  |
| Short-time current resistance (Icw) / at 690 V / limited | А   | 4 000                            |  |  |
| to 1 s / Rated value                                     |     |                                  |  |  |
| Main circuit   |     |                                  |  |  |
| Operating frequency                                      |     |                                  |  |  |
| • initial value  | Hz  | 50                               |  |  |
|  |     |                                  |  |  |
|  |     |                                  |  |  |

| • Full-scale value   | Hz  | 60  |
|--|-----|-----|
| Operating power  |     |     |
| • at AC-23 A / at 400 V / Rated value  | kW  | 75  |
| <ul> <li>at AC-23 A / at 690 V / Rated value</li> </ul>                      | kW  | 45  |
| • at AC-3 / at 400 V / Rated value   | kW  | 50  |
| • at AC-3 / at 690 V / Rated value   | kW  | 37  |
| Operating voltage  |     |     |
| • with AC / at 50/60 Hz / Rated value  | V   | 690 |
| Operating current / at AC-21 / Rated value                                   | А   | 160 |
| Auxiliary circuit  |     |     |
| Number of CO contacts / for auxiliary contacts                               |     | 0   |
| Number of NC contacts / for auxiliary contacts                               |     | 0   |
| Number of NO contacts / for auxiliary contacts                               |     | 0   |
| Operating voltage / of the auxiliary contacts / with AC / maximum            | V   | 500 |
| Continuous current / of the auxiliary contact / Rated value                  | A   | 10  |
| Insulation voltage / of the auxiliary switch / Rated value                   | V   | 500 |
| Suitability  |     |     |
| Suitability for use  |     |     |
| Main switch  |     | Yes |
