Protecting cap

Product description	Protective cap for M12 distributor and socket
Order number	08 2769 000 000

Illustration

Technical data

General features

Order number	08 2769 000 000
Degree of protection	IP67 plugged
Temperature range	-40°C bis +85°C
Additional information	Flanschdose
Weight (g)	0.817
Customs tariff number	85366990

Material

Contact body material	black
Material protective cap	PA
REACH SVHC	None (No pollutants)
SCIP number	SCIP-number not available
Material	PA66 schwarz

Classifications
