It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the requirements in the relevant harmonized standard:

EN 388:2003 (Protective gloves against mechanical risks) for a performance classification of 4,5,4,3.

The manufacturer's information notice (W+R GmbH Article 911-553/543 User Information Sheet), in English, has been inspected and found to have addressed all of the relevant requirements of the standard. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

Certification is based on technical file 911-553/543 06.01.2014
