- Carbon black was added for greater resistance to UV in outdoor usage
- UV resistant cable tie is perfect for outdoor use

RS PRO Black Nylon Sub Miniature Cable Tie, 71mm x 1.6 mm

RS Stock No.: 664-2887

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO cable ties are a type of fastener used for holding items together, most commonly electrical cables or wires. These cable ties are made from Nylon 66 (also known as nylon 6.6) and are a one-piece, self-locking fastener. Functioning like straps to keep cables tidy, they're available in a range of sizes and colours.
