

## **USB2 GENDER CHANGER SOCKETS**

These gender changer sockets are available in both USB2 A→B and B→A versions. Designed to accommodate the integration of USB2 data feeds into professional equipment for broadcast, lighting and audio applications.

Construction is of rugged zinc/nickel metal XLR housings fitting the universally popular 23.6mm diameter XLR panel cutouts. These connectors can be mounted at rear or front of panel.

**Part No: CP30110**
