

Joker safety hooks

for round slings and lifting straps

CARTEC

Application:

for connecting two slings or as the end sling point hook.

Execution:

- forged steel
- with a safety catch
- colour corresponds to CEN colour coding for textile slings
- hook opening designed to fit the usual sling points

Advantage:

- simple to use thanks to design and colour
- no risk of confusion
- particularly robust
- protects fabric lifting gear

Art. no.	77203 061
Brand	CARTEC
Manufacturer Part Number	CJ06
Load-carrying capacity	6000 kg
External width	133 mm
Width of mouth	43 mm
Internal width	59.5 mm
Material thickness of hook top	36 mm
Material thickness of hook base	36 mm
Height of hook base	40 mm
Interior height	223 mm
Gross Weight	4.576 kg
Product Group	775
