

Soft-face hammer SUPERCRAFT, non-recoil

Nylon inserts, white, wooden shaft

HALDER

Application:

For very powerful hammer strikes. Positioning and joining of workpieces in a vice, assembly of sharp-edged workpieces.

Execution:

- Hammer inserts made of special nylon, white, hard, no splintering
- With vibration-damping, ergonomically shaped, highly robust and painted hickory handle

Advantage:

- No recoil, gentle on joints, low noise
- Hammer inserts made of special nylon with maximum strength
- Handle protection sleeve acts as an overstrike protector

Art. no.	51224 130
Brand	HALDER
Manufacturer Part Number	3366.030
Head diameter	30 mm
Length of head	110 mm
Length	330 mm
Recoil-free	Yes
Material of long handle	Hickory
Impact insert, interchangeable	Yes
Handle fastening	Pinned
Weight	0.46 kg
Gross Weight	0.444 kg
Product Group	521
