

NEW! - SQUAREBAG FOR YOUR GEAR

raaco Squarebag - keep your gear organized!

This tool bag specially designed for electricians in a square format, which ensures it stays stable. The bag features a large and open main compartment with easy access, so you can save time and energy by keeping your tools organized and within quick reach. It contains both internal and external pockets in difference sizes for storage of smaller handheld tools, powertools, drills, bits etc. The two large outer pockets can also contain a raaco Boxxser 4x4 assortment box for storage of smaller accessories or/and raaco ToolFix for storage of tools.

The bag is made of durable polyester with an adjustable, padded shoulder strap for easy carry and a solid handle, which ensures a good grip

raaco Squarebag comes without content.

THE GLOBAL GOALS

For Sustainable Development

Since 1956, raaco has developed and manufactured innovative and durable storage systems, which are designed for order and overview - this saves time, space and money.

With a wide range of mobile and stationary storage systems and, where products can be used across systems, it helps to create a more efficient working day for professional craftsmen.

raaco has its own production in Denmark and supports the principles of UN Global Goals. The company works continuously on various environmental projects with focus on:

- 3 › Good health and well-being
- 9 › Industry, Innovation and Infrastructure
- 12 › Responsible consumption and production
