

Separating plate

Execution:

- Sheet metal partitions: In combination with the slot walls, the drawers can be divided into any kind of layout. The labelling field is offset over the entire width and is used to hold labelling tabs or barcode carriers. The lower edge toward the front enables the separating plates to be screwed to the perforated drawer base. The mass is stamped on each separating plate. Design: Aluminium.

Art. no.	50308 996
Brand	LISTA
Manufacturer Part Number	95.263.000
For drawer front height	50 mm
Length x height	82 x 31.5 mm
Number of pieces per packet	5 PCS
Gross Weight	1.300 kg
Product Group	5AN

EAN

7612269054507
