RS PRO Fixing & Connection Element T-Slot Nut, Groove Size 8mm

RS Stock No.: 767-5654

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO offers this great T-slot nut to fit 8 mm groove size within profiles. These T-slot nuts fit directly into the aluminium slot in any profile. Fitted with a ball bearing which makes it easier to install the T-nut in vertical aluminium profiles. T-nuts allows it easier to install angles and accessories into the profiles with reliable and easy fixing.
