**Re: LFPCN41457 TPSMDxx DO214-AB Automotive TVS capacity expansion and BCP**

To Our Valued Customers,

To serve our customers' continuous growth, Littelfuse would like to inform you this capacity expansion plan of TPSMDxx DO214-AB Automotive TVS products, meanwhile implement Business Continuous Plan (BCP), with improved automation and quality system.

This BCP will introduce the 2nd source below to build up our robust supply chain, and the new additional capacity to support the long-term growth of our automotive customers for the developing electrification.

Change Description		Before	After	Benefits
BE	Manufacturing Line	Existing line	Existing line & New line	Capacity expansion
	Clip vendor	Clip vendor: G-Shank	Clip vendor: 1. G-Shank 2. JIH Long	2 <sup>nd</sup> source &BCP

There will be no change to the form, fit, function, quality, or reliability of the products.

All affected products will be fully qualified in accordance with established performance and reliability criteria. Please refer to the attached affected parts list.

**Part number changes: None**

**Effective date: Jan 30<sup>th</sup>, 2023**

**Replacement products: N/A**

**Last time buy: N/A**

This notification is for your information and acknowledgement. If you have any other questions or concerns, please contact your local sales team or product team below for further assistance.

We value your business and look forward to assisting you whenever possible.

Best Regards,
