

## Safety utility knife aluminium with automatic blade retraction

TÜV/GS-tested safety

### Version:

- Spring-loaded trapezoidal blade made of SK5 carbon steel automatically retracts after cutting
- Robust and lightweight aluminium housing fits easily and securely in your hand
- The cutting depth is adjusted via the blade slider on the back of the utility knife
- Suitable for right-handed and left-handed use
- Easy, tool-free blade change with the magazine with two spare blades
