

Aluminium single bridge

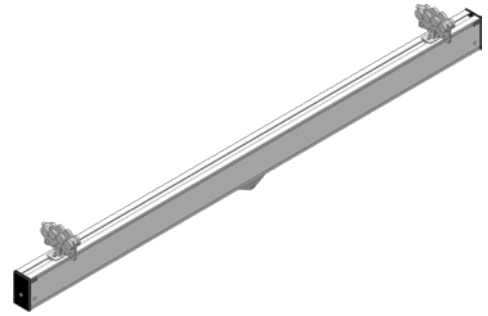

eepos

Application:

A single girder crane is the optimal crane solution for most load-bearing applications.

Advantage:

- Ergonomic, effortless work
- Low noise emissions
- Smooth running
- Intelligent modular system with a wide range of accessories
- Ensures that the highest level of quality and profitability is retained

Art. no.	77222 108
Brand	EEPOS
Manufacturer Part Number	S1802220
Load-carrying capacity	500 kg
Length	5000 mm
Weight	58 kg
Included in delivery	1 set includes: 1 aluminium single bridge with 2 profile end covers, 2 hinge trolleys to connect to the crane runway and 1 fork trolley 600 kg for lifting equipment
Gross Weight	58.000 kg
Product Group	786
