

### Assembly

- Place side boards into bottom boards then screw them onto wheels with parts B,G & J. (Fig.1, Fig. 2)
- Screw the bottom tray onto the bottom board with part E & L. (Fig.3)
- Put the back boards into the sockets on the side boards. (Fig.4)
- Screw the shelf boards onto the side boards with part E & K. (Fig.5)
- Screw the top board onto the side boards with part E & K. (Fig.6)
- Fix the circled parts (A) to the bottom board with part G,H & F. (Fig.7)
- Set up the door boards.

### Note:

- The wheel fixing positions to the trolley are adjustable, please fix to the farthest positions to avoid castors catching on the unit.

### Montage

- Plaats de zijkanten in de vloerplaten en schroef deze op de wielen vast met de onderdelen B,G en J. (afb.1, afb. 2)
- Schroef de vloerlade op de vloerplaat met onderdeel E en L. (afb. 3)
- Plaats de achterwanden in de openingen van de zijkanten. (afb. 4)
- Schroef de ladeplaten op de zijkanten met de onderdelen E en K. (afb. 5)
- Schroef de bovenplaat aan de zijkanten met de onderdelen E en K. (afb. 6)
- Bevestig de cirkelvormige onderdelen (A) aan de vloerplaat met de onderdelen G, H en F. (afb. 7)
- Monteer de deurplaten.

### Opmerking:

- De montagepunten van de wieltjes aan de trolley zijn instelbaar, kies de verste punten om het blokkeren van de zwenkwieltjes aan de unit te voorkomen.

### Montage

- Placer les panneaux latéraux dans les panneaux du fond, puis les visser sur les roues avec les pièces B, G et J (Fig. 1 et 2).
- Visser le plateau inférieur dans le panneau du fond avec les pièces E et L (Fig. 3).
- Placer les panneaux arrière dans les encoches prévues à cet effet sur les panneaux latéraux (Fig.4).
- Visser les panneaux des étagères dans les panneaux latéraux avec les pièces E et K (Fig. 5).
- Visser le panneau supérieur dans les panneaux latéraux avec les pièces E et K (Fig. 6).
- Fixer les pièces entourées (A) sur le panneau inférieur à l'aide des pièces G, H et F (Fig. 7).
- Installer les panneaux des portes.

### Remarque :

- La position de fixation des roues du chariot est réglable. Il est recommandé de les régler à la position la plus éloignée afin d'éviter que les roulettes ne se prennent dans l'unité.

### Montage

- Platzieren Sie die Seitenwände auf den Bodenteilen und schrauben Sie sie dann auf die Räder mit den Teilen B, G & J. (Figur 1, Figur 2)
- Schrauben Sie die untere Ablage an das Bodenteil mit den Teilen E & L. (Figur 3)
- Führen Sie Rückenwände in die Halterungen an den Seitenwänden ein. (Figur 4)
- Befestigen Sie die Regalbretter an den Seitenwänden mit den Teilen E & K. (Figur 5)
- Befestigen Sie die obere Ablage auf den Seitenwänden mit den Teilen E & K. (Figur 6)
- Fixieren Sie die eingekreisten Elemente am Bodenteil mit den Teilen G,H & F. (Figur 7)
- Montieren Sie die Türen.

### Hinweis:

- Die Befestigungsposition der Räder am Wagen ist verstellbar. Bitte befestigen Sie sie an den äußersten Halterungen, um zu verhindern, dass die Räder am Wagen hängen bleiben.

### Montaggio

- Montare le tavole laterali sui ripiani inferiori quindi fissarle sulle ruote utilizzando le parti B, G e J. (Fig.1, Fig. 2)
- Fissare il vassoio inferiore sul ripiano inferiore utilizzando le parti E e L. (Fig. 3)
- Fissare le tavole posteriori sulle cavità corrispondenti delle tavole laterali. (Fig. 4)
- Fissare le mensole sulle tavole laterali utilizzando le parti E e K. (Fig. 5)
- Fissare il ripiano superiore sulle tavole laterali utilizzando le parti E e K. (Fig. 5)
- Fissare le parti circolari (A) al ripiano inferiore utilizzando le parti G, H e F. (Fig. 7)
- Montare gli sportelli.

### Nota:

- Le posizioni di fissaggio delle ruote del carrello sono regolabili. Fissare alla posizione di massima distanza per evitare che le rotelle blocchino l'unità.

### Montaje

- Coloque los paneles laterales en los paneles inferiores y luego atorníllelos en las ruedas con las piezas B, G y J. (Fig. 1, Fig. 2)
- Atornille la bandeja inferior en el panel inferior con las piezas E y L. (Fig. 3)
- Ponga los paneles traseros en las ranuras de los paneles laterales. (Fig. 4)
- Atornille los paneles del estante a los paneles laterales con las piezas E y K. (Fig. 5)
- Atornille el panel superior a los paneles laterales con las piezas E y K. (Fig. 6)
- Fije las piezas rodeadas (A) al panel inferior con las piezas G, H y F. (Fig. 7)
- Instale los paneles de las puertas.

### Nota:

- Las posiciones de fijación de las ruedas al carrito se pueden ajustar, fíjelas en las posiciones más alejadas para evitar que las ruedas pivotantes atraquen la unidad.

### Montagem

- Coloque as tábuas laterais nas tábuas inferiores e depois aparafuse-as nas rodas com as peças B, G e J. (Figura 1, Figura 2).
- Aparafuse o tabuleiro inferior na tábua inferior com as peças E e L. (Figura 3).
- Coloque as tábuas posteriores nos encaixes das tábuas laterais. (Figura 4)
- Aparafuse as tábuas das prateleiras nas tábuas laterais com as peças E e K. (Figura 5).
- Aparafuse a tábua superior nas tábuas laterais com as peças E e K. (Figura 6).
- Fixe as peças circulares (A) à placa inferior com as peças G, H e F. (Figura 7).
- Monte as tábuas das portas.

### Nota:

- As posições de fixação das rodas ao carrinho são ajustáveis, monte-as nas posições mais afastadas para evitar que os rodízios danifiquem a unidade.
