

Soft-face hammer SUPERCRAFT, non-recoil

Nylon inserts, white, steel tube handle

HALDER

Application:

For very powerful hammer blows. Positioning and joining of workpieces in a vice, mounting of sharp-edged workpieces.

Execution:

- Hammer inserts made of special nylon, white, hard, no splintering
- With break-proof steel tube handle and ergonomically shaped, non-slip rubber grip

Advantage:

- No recoil, gentle on joints, low noise
- Hammer inserts made of special nylon with maximum strength
- Handle sleeve prevents missed blows.

Art. no.	51223 125
Brand	HALDER
Manufacturer Part Number	3377.025
Head diameter	25 mm
Length	270 mm
Impact insert, interchangeable	Yes
Gross Weight	0.404 kg
Product Group	521
