Description of Change: Alternate raw material suppliers have been approved for the ferrite shield and copper coil used in the manufacturing of IWTX5050CZEB6R3KF1 wireless charging coil transmitter. This effort will help to strengthen Vishay's position in the supply chain and improve capacity for supporting this product.

Reason for Change: Improved capacity and strengthen supply chain

Expected Influence on Quality/Reliability/Performance: Minimal to none. New material will meet the critical mechanical and electrical parameters specified on datasheet.

Part Numbers/Series/Families Affected: IWTX5050CZEB6R3KF1

Vishay Brand(S): Vishay Dale

Time Schedule:

Start Shipment Date: Tue Oct 1, 2024

Sample Availability: July 8, 2024

Product Identification: Product shipped week 40 and later (Date code 2440 and after)

Qualification Data: Test data available upon request (after "Sample Availability" date specified above)

This PCN is considered approved, without further notification, unless we receive specific customer concerns before Wed Jul 10, 2024 or as specified by contract.
