

Cordless angle screwdriver with shut-off function RRI-BA10S3

RRI-BA series

Application:

Assembly applications where accurate torquing is required.

Execution:

- Cordless angle screwdriver with automatic shut-off function.
- Specially designed for use in areas where hoses and/or cables hinder the freedom of action, such as the interior trim of cars, buses and trains.

Art. no.	75066 142
Brand	RED ROOSTER
Manufacturer Part Number	RRI-BA30S3
Model	RRI-BA30S3
Motor design	Brushless motor
Number of rechargeable batteries/batteries	0
Battery voltage	20 V
Battery included	No
Tip size	3/8 inch
Min. torque	8 Nm
Min./max. torque	8-30 Nm
Max. torque	30 Nm
Min. idle speed	250 rpm
Max. idle speed	450 rpm
Weight of machine without rechargeable battery	1.5 kg
Included in delivery	00/4507 adjustment tool
With automatic shut off	Yes
Min. screw diameter	6 mm
Min./max. screw diameter	6-8 mm
Max. screw diameter	8 mm
Sound-pressure level	66,9 dB
Gross Weight	1.500 kg
Product Group	7AE
