- Complies with EN 1492-1
- GS-tested
- Can be used between -40°C and +100°C
- with reinforced loops
- Two-ply lifting strap (B2)

Advantage:

- Low tare weight
- Versatile
- Durable and flexible fabric construction

Delivery:

including instructions for use and declaration of conformity

Art. no.	77187 360
Brand	HK
Manufacturer Part Number	77 187360
Length	6000 mm
Material thickness	5 mm
Load-carrying capacity	3 t
Width	90 mm
Loop width	50 mm
Loop length	400 mm
Colour	Yellow
EN standard	1492-1
Gross Weight	3.500 kg
Product Group	7EJ

EAN

4053625625659
