

**Issue Date:** June 18, 2020

Dear Valued Customer,

This notice is to inform you of a product change affecting selected items that you have purchased from Littelfuse.

***Description of the Change:***

The Mega 298 series and Midi 498 series bolt down fuse holder final assembly process will move from Piedras Negras, Mexico to Muzquiz, Mexico. Fit, form and function will not change.

***Reason for The Change:***

This PCN is part of our continuous efforts to optimize our manufacturing processes and strengthen our supply chain.

***Effective Date of the Change:***

The transition spans the course of Q3, 2020 with a tentative completion date of early Q4, 2020.

**What You Need to Do:**

- Please review affected part number list to view which products are transitioning.
- New quality and PPAP documentation will be prepared upon completion of the transfer and are available upon request.

If you have any questions, please feel free to contact your Littelfuse Customer Service Representative or your Inside Sales Representative. We appreciate your business and our continued partnership.

Sincerely,

*Joe Plazyk*
