

Tape measure

VARIO in EC class 1

BMI

Application:

For measuring distances with an accuracy of mm

Execution:

- An especially lightweight and handy tape rule, specifically designed for professional use
- Housing made of impact-resistant polyamide (reinforced fibreglass)
- Axle and tape outlet with TRIBOCOMP® (Teflon) coating, result: smooth and easy tape movement
- Smooth-running sliding button for locking the tape
- Wear-resistant and anti-reflective tape
- Recoilless tape feed
- In EC class 1, with increased scale accuracy

Art. no.	37016 050
Brand	BMI
Manufacturer Part Number	411541820-EGI
Length	5 m
Width	16 mm
Calibration Group	A0
Gross Weight	0.200 kg
Product Group	371

EAN

4007368112952
