

Grip It® Oil C5

High visibility seamless cut resistant liner with a dual nitrile coating

GIOK

Sectors:

- Automotive • Construction & Utility
- Engineering and Manufacturing • Waste Management and Local authority

Packing

- 1 pair per polybag
- 10 pairs per master polybag
- 60 pairs per case

SilverClear®

Features

Protection: Made from a technically engineered yarn, the liner attains excellent EN388 scores in all categories

Handling: Providing ultimate abrasion protection and gripping ability. Utilising two layers of nitrile; the first layer fully coated and the second palm coated

Durable: Delivers excellent protection, durability and a long life expectancy

Comfort: The contoured design together with the soft seamless knitted liner and resilient nitrile coating ensures ultimate comfort with minimal hand fatigue in prolonged use

High Visibility: High visibility colour scheme increases visual awareness

Knit Wrist: Elasticated knitted wrist provides a secure fit and keeps hands free from dirt and debris

Dual Coated: First 'flat' nitrile coating effectively prevents water penetration, whilst the second 'foam' nitrile coating offers long lasting grip in wet and oily settings.

SilverClear® glove formulated from silver, a powerful and proven antimicrobial agent that inhibits bacterial, fungal and viral growth. The additive will protect the gloves from microbial growth but also from mold and bad odours avoiding premature material degradation and discoloration.

Code	GIOK
Colour	Green/Black
Sizes	7-12
