

## Scotch-Brite™ coarse cleaning disc XT-RD Pro Extra Cut

### Application:

For removing hard coatings such as strong rust, thick coat lacquer and corrosion while facing and refining the bare metal underneath.

### Execution:

- High-strength fibre, resistant to breakouts and provides optimum edge performance

### Advantage:

- Aluminium oxide mineral aggressively removes the upper layer and refines the bare metal underneath
- Resistant against loads, ensuring a uniform cutting performance
- High adaptability provides a larger contact area for faster removal rates
