

Fat-Mat universal absorbent mat – the most absorbent mat on the market

Absorbs oil, water, coolants and solvents

Application:

For daily use around machinery, in drawers, on shelving or on workbenches.

Execution:

- made from 100% polypropylene and 25% recycled material

Advantage:

- The 16-ply design absorbs twice as much as the PIG® Universal Heavy-Weight product
- Will not fall apart or leave lint behind, and can withstand even the heaviest foot traffic
- Special dimple pattern for rapid absorption of liquid

Art. no.	69746 211
Brand	PIG
Manufacturer Part Number	MAT2101
Absorptive capacity	Very high
Type description	MAT 2101
Length x width	51 x 41 cm
Suction volume	83.3 l
Number of pieces per packet	50
Recycled material	25 %
Delivery unit	Mat pad in box
Gross Weight	8.200 kg
Product Group	6PA
