

Product data sheet

Product Code: PBU2241

Product Name: 8mm Glass Fibre refill

Features & Benefits:

- Cleans, deburrs, polishes & burnishes
- Ideal for work on larger surfaces
- For metals, plastics & wood

8mm Glass Fibre refill

The abrasive glass fibre is ideal for accurate and rapid cleaning, de-rusting and surface preparation on a variety of materials. The shorter the fibres showing, the more abrasive the action. Can be used on metals, plastics & wood.
