## Individually laser engraved articles!

We engrave special scales, trademarks, pictures, drawings, etc. according to your specifications.

Laser marking is particularly suitable for permanent, tamperproof engravings..

Thanks to our unique flexibility we can offer to our customers favourable prices for marking single pieces as well as for mass production.

### Laser engraving is possible on:

- steel, high-grade steel
- cast iron
- non-ferrous metals
- plastic
- self-adhesive foils
