Product Code	CDLDP-00LOCK
Short Description	Gold Flashed, Locking Connectors
Full Description	<p>DisplayPort is a 20 pin connector similar to HDMI but designed to replace DVI/VGA. The standard was put forward by VESA to define a new royalty free audio/video connection.</p> <p>DisplayPort is very simple to use and makes connecting your PC to your DisplayPort enabled display very easy. Our DisplayPort cables are black with gold flashed locking connectors to reduce disconnection due to cable strain. While it is mainly used for digital display it can be used to carry other signals such as Audio or USB.</p>
