

CHANGE NOTICE: Production Transfer
NIOBUM OXIDE CAPACITORS (NOS series)

Dear Valued Customer,

Thank you very much for your great and continuous support for business with KYOCERA AVX. This is an official notification that our Niobium Oxide capacitors (NOS series) production will be transferred from our Czech Republic facility to our El Salvador facility by January 1st, 2024. The El Salvador facility produce NOJ series of the Niobium Oxide capacitors already for long time. The facility is the IATF 16949 certified and the parts meet the AEC-Q200 requirements.

If you have any concerns with reference to a changed delivery date, please contact your local KYOCERA AVX sales representative.

Your understanding and support are highly appreciated.

1. Product Type, Changes, and Customer/KAVX/Alternate Part Numbers:

Change	Before Change	
NOS series production location	Lanskroun, Czech Republic	San Salvador, El Salvador

2. Reasons for Notification:

Production transfer to consolidate the production between the KAVX plants
Manufacturing method, materials, machines and testing remains the same. The new location is already producing NOJ series for long time.

3. Products Involved:

NOS series - list of part numbers
