

- 1: T5 connection (order no. AC2316)
- 2: Target puck (order no. E17320)
- 3: Solenoid valve Norgren Herion 2623079303602400 and 2 silencers 0014600
- 4: T5 jumper and valve plug (order no. E10817)
- 5: FC insulation displacement connector (order no. E70471)

**Product characteristics**

Added value package AS-i for pneumatic quarter-turn actuators

|  |                     |
|--|---------------------|
| Connector                                |                     |
| A/B slave                                |                     |
| Shaft height 20 mm                       |                     |
| Hole spacing 80 mm                       |                     |
| Sensing range: 4mm [nf]                  |                     |
| Electrical data                          |                     |
| Electrical design                        | 2 inputs / 1 output |
| Operating voltage [V]                    | 26.5...31.6 DC *)   |
| Total current consumption from AS-i [mA] | < 160               |
| Outputs                                  |                     |
| Digital                                  |                     |
| Output function                          | transistor PNP      |
| Measuring / setting range                |                     |
| Sensing range [mm]                       | 4                   |
| AS-i classification                      |                     |
| AS-i version                             | 2.1                 |
| AS-i profile                             | S-7.A.E             |
| I/O configuration [hex]                  | 7                   |
| ID code [Hex]                            | A.E                 |
| Mechanical data                          |                     |
| Mounting                                 | non-flush mountable |
| Weight [kg]                              | 1.079               |
| Electrical connection                    |                     |

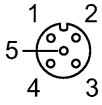

**Wiring**

**Electrical connection**

- 1: AS-i+
- 3: AS-i-

**AC0021 - Added value package AS-i for pneumatic quarter-turn actuators - eclass: 27220590 / 27-22-05-90**

Outputs  
 3: external voltage -  
 4: switching output +  
 1, 2, 5: not connected

Accessories

Accessories (included)

T5 connection (order no. AC2316); Target puck (order no. E17320); Solenoid valve Norgren Herion 2623079303602400 and 2 silencers 0014600; T5 jumper and valve plug (order no. E10817); FC insulation displacement connector (order no. E70471)
