

Assembly workbench series V, with lowerable transport unit

With 1 door and lowerable transport unit

Execution:

- Worktop made of solid beechwood, thickness 50 mm, sandable, glued in bars
- Robust, welded sheet steel construction
- Base made of square-section steel tube 45 x 45 x 2 mm, stationary, load capacity 1500 kg with evenly distributed load
- Door opening angle 180°
- Vice, 100 mm jaw width with hinged lifter, can be rotated by 360° and height-adjustable
- Vice compartment fitted with one door which can be closed again after the vice has been folded out
- With lowerable transport unit, the drive/stop position is adjusted by simply turning the lever on the front side of the workbench

Advantage:

- Worktop with special tooting, therefore extremely robust and virtually unlimited service life
- Always mobile and ready for use anywhere thanks to transport unit

Art. no.	50284 803
Working height	850 mm
Number of steering rollers	4 PCS
Worktop width	1270 mm
Number of drawers	1 PCS
Worktop height	50 mm
Worktop depth	700 mm
On castors	Yes
Moving device, can be lowered	Yes
Colour of front	Optional
Cabinet colour	Optional
Model	700V
Surface	Powder-coated
With wheel lock	No
Load-carrying capacity	1500 kg
Levelling	Yes
Dynamic load-carrying capacity	450 kg
Wheel diameter	100 mm
Type	mobile/retractable
Lock type	DOM® locking system
Material of worktop	Solid beech
Folding vice	Yes
Material	Sheet steel
Material of wheel	Polyurethane
Central locking	Yes
Product Group	Prod. Gr. 502
