

Poliflex fine grinding points with GR binding

Cylindrical, pink corundum

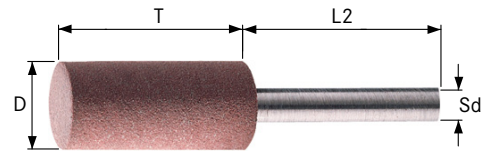

Application:

For finishing of surfaces. For use on flexible shafts, electric and compressed air straight grinders.

Advantage:

- For achieving a fine, polished grinding finish
- Soft, elastic binding for soft grinding

Art. no.	69200 255
Brand	PFERD
Manufacturer Part Number	4007220145630
Grid size	120
Head diameter x head length	20 x 30 mm
Shaft diameter x shaft length	6 x 40 mm
Max. rotation speed	14300 rpm
Recommended rotation speed	9500 rpm
Number of pieces per packet	10 PCS
Gross Weight	0.026 kg
Product Group	6AB
