

Stud bolt inserter and extractor with knurling wheel

With hexagonal actuation, for bolts from 6 to 25 mm

Execution:

- Wrench width for actuation, 19 mm

Advantage:

- For right-hand or left-hand thread
- Even extremely short stud bolt ends can be unscrewed thanks to the deep arrangement of the knurling wheel

Art. no.	55019 030
Brand	GEDORE
Manufacturer Part Number	8010890
Min./max. clamping width	19-25 mm
Max. clamping width	25 mm
Gross Weight	0.367 kg
Product Group	5JB

EAN

4036976 105070
