## Specifications

|                             |                               |
|-----------------------------|-------------------------------|
| Connector Type              | D38999/                       |
| Shell Style                 | Straight Plug                 |
| Shell Material              | Aluminum                      |
| Shell Finish                | Electroless Nickel            |
| Insulation Resistance       | 5000 megohms min. @500 VDC25C |
| Operating Temperature [Min] | -65°C                         |
| Operating Temperature [Max] | +200°C                        |
| Shielding Effectiveness     | 65dB@10GHz                    |
| Durability                  | 48 Hour Salt Spray            |
| Contact Type                | B                             |
| Contact Description         | Less Sockets                  |
