

Version I

Single recessed area for membrane keypad or pressure switch.

Version II

Three recessed areas - same as Version I, but incorporates two recessed areas on front and one on back of enclosures.

Assembly

Enclosure is snapped in at the front and secured by one M3 screw.

Accessories

- Belt / Pocket clip
- Battery spacer
- NEMA 4 / IP65 sealing kits
- Height Expander Strip
- Battery clip set

Stock Colors

Off-White: Pantone Cool Gray 1C
 Black: Pantone Black 7C 2X
 See Page 39 for Color Chart

Custom colors available

Stock Material

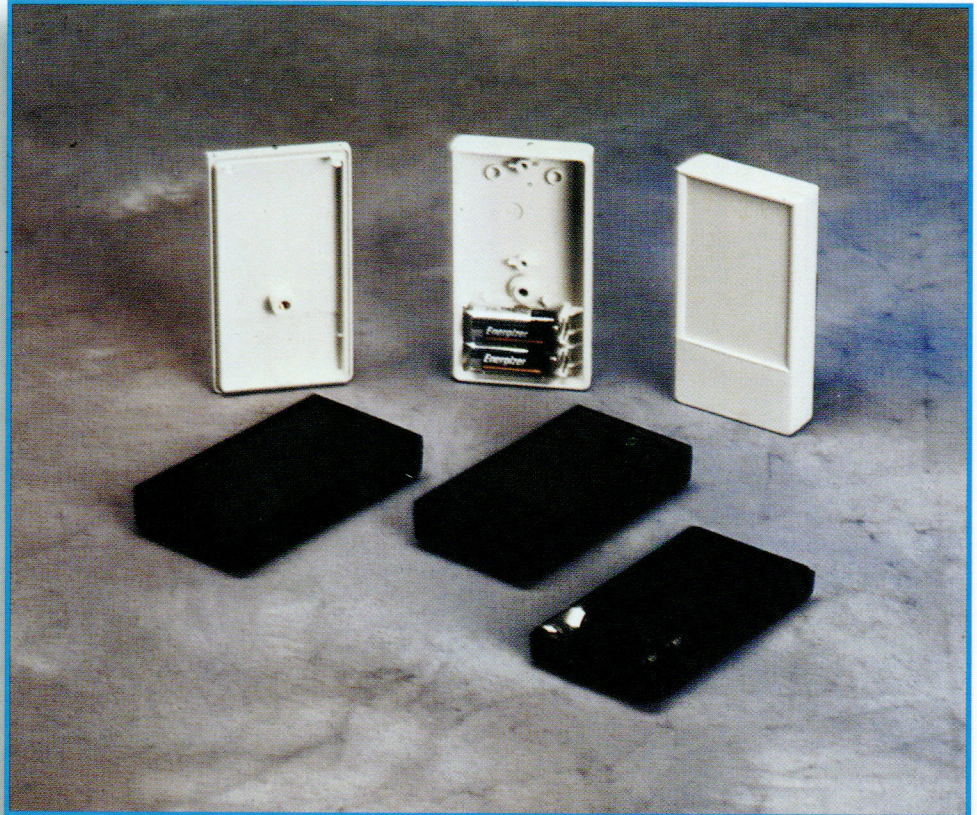

ABS (UL 94 HB) and PMMA (plexiglass®), permeable to **Infra-red** light. Also available in other materials on request.

Insert Molding

Custom insert molding within recessed area can significantly reduce machining costs for many applications. An insert area is also available on the top end of the case. Call for minimum quantities.
